I acknowledge by signing this agreement that I have been given the full opportunity to ask any and all questions which I might have about the obtaining of a tattoo and that all of my questions have been answered to my full satisfaction. I specifically acknowledge I have been advised of the facts and matters set forth below and I agree as follows:

- If I have any condition that might affect the healing of this tattoo, I will advise my tattooer. I am not pregnant or nursing. I am not under the influence of alcohol or drugs.
- I do not have medical or skin conditions such as but not limited to: acne, scarring (Keloid) eczema, psoriasis, freckles, moles or sunburn in the area to be tattooed that may interfere with said tattoo. If I have any type of infection or rash anywhere on my body, I will advise my tattooer.
- I acknowledge it is not reasonably possible for the representatives and employees of this tattoo shop to determine whether I might have an allergic reaction to the pigments or processes used in my tattoo, and I agree to accept the risk that such a reaction is possible.
- I acknowledge that infection is always possible as a result of the obtaining of a tattoo, particularly in the event that I do not take proper care of my tattoo. I have received aftercare instructions and I agree to follow them while my tattoo is healing. I agree that any touch-up work needed, due to my own negligence, will be done at my own expense.
- I realize that variations in color and design may exist between any tattoo as selected by me and as ultimately applied to my body. I understand that if my skin color is dark, the colors will not appear as bright as they do on light skin.
- I understand that if I have any skin treatments, laser hair removal, plastic surgery or other skin altering procedures, it may result in adverse changes to my tattoo.
- I acknowledge that a tattoo is a permanent change to my appearance and that no representations have been made to me as to the ability to later change or remove my tattoo. To my knowledge, I do not have a physical, mental or medical impairment or disability which might affect my well being as a direct or indirect result of my decision to have a tattoo.
- I acknowledge I am over the age of eighteen and that I have truthfully represented to my tattooer that the obtaining of a tattoo is by my choice alone. I consent to the application of the tattoo and to any actions or conduct of the representatives and employees of the tattoo shop reasonably necessary to perform the tattoo procedure.

AFTERCARE OF YOUR TATTOO

1. After 3 hours, remove the bandage gently and wash with warm water and mild soap. **DO NOT REBANDAGE.**
2. Apply a thin film of A&D Ointment, Neosporin, Bacitracin, or the like 3 times a day for the next 3 days. After 3 days, use a hand lotion like Dermassage or Noxema until skin returns to its pre-tattoo condition.
3. Stay out of sunlight and tanning booths until tattoo is healed, at least 7-10 days.
4. Do not soak tattoo in tub, sauna, Jacuzzi or go swimming while your new tattoo is healing. Showers are fine.
5. Do not rub or pick the treated area while it is healing. Loss of color and/or infection could occur.
6. Extreme sun and exposure over the years can and will fade your tattoo. This can be minimized by using a strong sunscreen, at least SP25.
7. Your tattoo should heal in 2 weeks. Consult a physician if any signs or symptoms develop such as the following: redness at site, green/yellow discharge (foul smelling) and/or fever.
